**Camp Awakening** offers summer camp programs that give youth with physical disabilities the opportunity to gain independence, make lasting friendships, develop confidence, and accomplish things that they never thought possible.

Camp Awakening is a small registered charity and grassroots organization which means volunteers are crucial to our success. Unfortunately, this also means we currently have limited opportunities for volunteers outside of administration, governance, and special events.

Our primary volunteers are our board members. From time to time, we ask for help with administrative tasks in the camp office (mostly mailings and filing) or help planning & managing a special fundraising event. **We are unable to accommodate volunteers during the summer at camp due to space constraints.**

Please indicate which volunteer tasks you would be interested in helping with:

- Administrative tasks at the camp office located at 150 Eglinton Avenue East in Toronto  
*Tasks may include creating spreadsheets; filing; stuffing envelopes; etc.*
- Board of Directors  
*Board members are volunteers with special skills and talents who each have a specific role to play in maintaining the organization's success.*
- Fundraising  
*Sharing your knowledge of direct mail appeals; grant proposals and funding requests.*
- Graphic Design  
*We regularly need help designing marketing and promotional materials such as camper brochures; donor newsletters and special event invitations.*
- Special Events  
*Sharing your knowledge of event management; in kind donation requests; advertising & promotion and ticket selling.*

Thank you again for your interest in Camp Awakening! Please note that while new volunteers are always welcome, you may not be contacted for several months until a project comes up which requires volunteer assistance.

Cheers,

Tracy Morley  
Executive Director
